The NSW Injury Risk Management Research Centre (IRMRC) is funded by the NSW Department of Health, the NSW Roads and Traffic Authority, and the NSW Motor Accidents Authority and supported by the University of New South Wales. Production of this report was funded through the IRMRC's core research program. The Centre for Epidemiology and Research of the NSW Department of Health provided the data used in this report, which were accessed via HOIST. We are also grateful for the use of some SAS macros developed by the Centre for Epidemiology and Research.
