

# List of tables

<b>Table 1.</b> Significant changes in injury-related hospitalisation rates by mechanism, NSW, 1989–1990 to 2003–2004 _____	<b>xii</b>
<b>Table 2.</b> Top 10 leading causes of hospitalisation by age group, NSW, 1999–2000 to 2003–2004 _____	<b>9</b>
<b>Table 3.</b> Injury hospitalisations by mechanism in NSW, number, rate and CI, 1999–2000 to 2003–2004 _____	<b>11</b>
<b>Table 4.</b> Injury hospitalisations by fall submechanism, NSW, number, rate and CI, 1999–2000 to 2003–2004 _____	<b>14</b>
<b>Table 5.</b> Number of hospitalisations for falls by age group and cause, NSW, 1999–2000 to 2003–2004 _____	<b>15</b>
<b>Table 6.</b> Injury hospitalisations by motor vehicle transport road user class, NSW, number, rate and CI, 1999–2000 to 2003–2004 _____	<b>18</b>
<b>Table 7.</b> Number of hospitalisations for motor vehicle transport incidents by age group and cause, NSW, 1999–2000 to 2003–2004 _____	<b>20</b>
<b>Table 8.</b> Injury hospitalisations by struck by/struck against injury cause, NSW, number, rate and CI, 1999–2000 to 2003–2004 _____	<b>23</b>
<b>Table 9.</b> Number of hospitalisations for struck by/struck against injuries by age group and cause, NSW, 1999–2000 to 2003–2004 _____	<b>24</b>
<b>Table 10.</b> Injury hospitalisations by method of self-harm, NSW, number, rate and CI, 1999–2000 to 2003–2004 _____	<b>27</b>
<b>Table 11.</b> Number of hospitalisations for self-harm by age group and cause, NSW, 1999–2000 to 2003–2004 _____	<b>28</b>
<b>Table 12.</b> Injury hospitalisations by cut/pierce injury cause, NSW, number, rate and CI, 1999–2000 to 2003–2004 _____	<b>31</b>
<b>Table 13.</b> Number of hospitalisations for cut/pierce injuries by age group and cause, NSW, 1999–2000 to 2003–2004 _____	<b>32</b>
<b>Table 14.</b> Injury hospitalisations by interpersonal violence method, NSW, number, rate and CI, 1999–2000 to 2003–2004 _____	<b>35</b>
<b>Table 15.</b> Number of hospitalisations for interpersonal violence by age group and cause, NSW, 1999–2000 to 2003–2004 _____	<b>36</b>

<b>Table 16.</b> Injury hospitalisations by poisoning substance, NSW, number, rate and CI, 1999–2000 to 2003–2004 _____	<b>39</b>
<b>Table 17.</b> Number of hospitalisations for poisoning by age group and cause, NSW, 1999–2000 to 2003–2004 _____	<b>40</b>
<b>Table 18.</b> Injury hospitalisations by non-motor vehicle road transport-related cause, NSW, number, rate and CI, 1999–2000 to 2003–2004 _____	<b>43</b>
<b>Table 19.</b> Number of hospitalisations for non-motor vehicle road transport-related injuries by age group and cause, NSW, 1999–2000 to 2003–2004 _____	<b>44</b>
<b>Table 20.</b> Injury hospitalisations by natural and environmental factor-related cause, NSW, number, rate and CI, 1999–2000 to 2003–2004 _____	<b>47</b>
<b>Table 21.</b> Number of hospitalisations for natural and environmental factor-related injuries by age group and cause, NSW, 1999–2000 to 2003–2004 _____	<b>49</b>
<b>Table 22.</b> Injury hospitalisations for foreign bodies, NSW, number, rate and CI, 1999–2000 to 2003–2004 _____	<b>51</b>
<b>Table 23.</b> Number of hospitalisations for foreign body-related injuries by age group, NSW, 1999–2000 to 2003–2004 _____	<b>52</b>
<b>Table 24.</b> Injury hospitalisations by fire/burns type, NSW, number, rate and CI, 1999–2000 to 2003–2004 _____	<b>55</b>
<b>Table 25.</b> Number of hospitalisations for injury due to fire/burns by age group and cause, NSW, 1999–2000 to 2003–2004 _____	<b>56</b>
<b>Table 26.</b> Injury hospitalisations by machinery-related cause, NSW, number, rate and CI, 1999–2000 to 2003–2004 _____	<b>59</b>
<b>Table 27.</b> Number of hospitalisations for machinery-related injuries by age group and cause, NSW, 1999–2000 to 2003–2004 _____	<b>60</b>
<b>Table 28.</b> Injury hospitalisations by near-drowning location, NSW, number, rate and CI, 1999–2000 to 2003–2004 _____	<b>63</b>
<b>Table 29.</b> Number of hospitalisations for near-drowning by age group and cause, NSW, 1999–2000 to 2003–2004 _____	<b>64</b>
<b>Table 30.</b> Significant changes in injury-related hospitalisation rates by mechanism, NSW, 1989–1990 to 2003–2004 _____	<b>66</b>

---

<b>Table 31.</b> Age-specific rates of hospitalisation per 100,000 population by age group and mechanism for all persons, NSW, 1999–2000 to 2003–2004 _____	<b>78</b>
<b>Table 32.</b> Age-specific rates of hospitalisation per 100,000 population by age group and mechanism for males, NSW, 1999–2000 to 2003–2004 _____	<b>79</b>
<b>Table 33.</b> Age-specific rates of hospitalisation per 100,000 population by age group and mechanism for females, NSW, 1999–2000 to 2003–2004 _____	<b>80</b>
